About us

At Wellin International School of Cosmetology, we offer 3 to 12-month courses that provide a strong foundation for a thriving career in the beauty industry. Our certified programs ensure that students gain hands-on experience, learning the latest techniques and trends from industry experts. Whether you plan to work locally or abroad, our courses equip you with the skills and confidence to succeed. Plus, our team is dedicated to supporting you every step of the way, helping you turn your passion into a rewarding career.

Reason Choose Us?

Certified Course

Gain recognition with our certified courses, trusted by the beauty industry worldwide. Your certification will help you stand out and kick-start your career.

Industry Experts as Faculties

Learn from top professionals with years of real-world experience. Our expert faculty will guide you to master the latest beauty trends and skills.
